

Graham/Kapowsin Community Council & Annual COMMUNITY EXPOSITION

Hello Valued Sponsor,

The Graham/Kapowsin Community Council's purpose is to link community while serving the Greater Graham area. This is our 12th year of providing food, shelter and family services to those in need. It is very sad that we have over 360 hungry and homeless children and these numbers continue to rise. Some children cannot get to the Bethel School District's free lunch and FISH Summer Feeding Programs because they do not have transportation (Pierce Transit does not drive south of 176th). Our mission is to provide food for these children and their families plus to give as much assistance as we can on an ongoing basis. Another aspect of our mission is to keep kids off of drugs through community involvement while building strong family support systems for them.

We are actively seeking sponsors to assist us in providing healthy and nutritious food for the 'FEED Project', providing a safe environment, enriching them with special programs after school and during the summer, giving them pride and helping them to become responsible adults. Your contribution(s) goes a long way toward feeding and educating these children in our community. We would be honored to have you as a sponsor at our upcoming 12th Annual Expo on Saturday, March 7, 2015 at Frontier Middle School, located at 22110 108th Ave E. Whether it is a small or large gift, your donation helps in so many ways and it truly does make a difference!

There are a lot of ways to participate! Volunteering your time at our event would be greatly appreciated. You can donate an item for our silent auction, put together a basket of goodies, give a gift card or you can write a check to the Graham/Kapowsin Community Council. This is the perfect opportunity to make a difference and support the 'FEED Project'.

Thank you so much for your attention to these issues that we feel so strongly about. We look forward to hearing back from you.

Have a great day,
